## YOUTH MINISTRY

(2 credit hour courses)

This program is designed for people to enhance their current ministry to youth, in either a leadership or assistance role, or to equip them with skills to start such a ministry within their local congregation. Youth, in this case, focuses not only on adolescents but in the broader sense from ages 13 to 25. It is structured in a way to help students become leaders in community, worship, proclamation, teaching, and service, as well as equip them with the tools to develop both adult and youth leaders within the church.

**Certificate in Youth Ministry** is designed for ministers/priests/pastors or theologically educated laity (i.e. A.Th., EFM) who are involved in or who plan to start a ministry to youth. Students complete only the five core youth ministry courses.

## BACHELOR OF THEOLOGY BY DISTANCE

The B.Th. by Distance enables students to study in their own communities, and reduces the on-site residency requirement to eight months. We trust that this will make courses and training for ministry in Christ's name ever more accessible. Students who are sponsored by their denomination for ministerial training (whether as ordained or as lay) may enroll.

Phase I: Associate Courses (fifteen two credit hour courses)

Phase II: St. John's Residency;

Phase III: Intensive Courses & Internship

## BACHELOR OF THEOLOGY FOR DISCIPLESHIP AND MINISTRY

This innovative six-year Bachelor of Theology degree does not assume previous university experience and is delivered over three terms every year. Students study in their home communities as part of a Local Education Group formed with a facilitator. Students are free to complete either two, four, or six years of the program and depending upon how far they decide to do will be eligible to receive a certificate, a diploma or a degree.
