

# YOUTH MINISTRY

(2 credit hour courses)

This program is designed for people to enhance their current ministry to youth, in either a leadership or assistance role, or to equip them with skills to start such a ministry within their local congregation. Youth, in this case, focuses not only on adolescents but in the broader sense from ages 13 to 25. It is structured in a way to help students become leaders in community, worship, proclamation, teaching, and service, as well as equip them with the tools to develop both adult and youth leaders within the church.

*Certificate in Youth Ministry* is designed for ministers/priests/pastors or theologically educated laity (i.e. A.Th., EFM) who are involved in or who plan to start a ministry to youth. Students complete only the five core youth ministry courses.
